Hand protection:	Use of gloves impermeable to the specific material handled							
Eye protection:	Chemical goggles or safety glasses. Face shield if necessary							
Respiratory protection:	Wear a NIOSH approved or equivalent dust respirator, if necessary							

PHYSICAL PROPERTIES INFORMATION

Physical state:	Liquid
Color:	Clear to yellowish
Odor:	Slight odor of sulfur dioxide
pH:	3.9 – 4.6
Specific Gravity:	1.19 – 1.34

STORAGE INFORMATION

Keep container(s) tightly closed. Store this material in cool, dry well ventilated areas. Store only in approved acid resistant containers. Keep away from any incompatible material. Protect container(s) against physical damage.

Shelf life: Stored under controlled conditions 3 years.

DELIVERY

Containers: 55 Gal Plastic drums / 250 Gal Tote bin / Bulk tank trucks.

NOTE

Refer to the SDS for further health, safety and environmental information regarding this product. Information and recommendations in this technical data sheet are based on information believed to be reliable. However, the use of the product is beyond our control, and no guarantee expressed or implied is made as to the effects of such the results to be obtained id not used in accordance with directions or established safe practice. The buyer must assume all responsibility including injury or damage, resulting from misuse of the product as such, or combination with other materials.
